An illustrated talk by WAYNE VICTOR MEETEN

Handmade Jewellery, Gold and Silver become a story that is treasured forever

This is a rare opportunity to hear one of the foremost goldsmiths/silversmiths in Britain. Wayne Meeten is one of only a handful of craftsmen in the world to have mastered the intricate, beautiful Japanese techniques of Mokume Gane, Shibori, and Zougan inlay. He has won many international and national awards for his vessels, sculpture and jewellery, and his work is to be found in collections worldwide, including the Goldsmiths Company of London, Chatsworth House and New College, Oxford.

All are welcome. Members £2, Non members £3.
